**Re:** LTP Clinic Overview and Schedule

**Learn to Play (ages 4 to 15-1/2)**

This clinic promotes and develops proper skating techniques. Hockey drills and related games are used to develop the beginning skater's skills and knowledge of the game of hockey. This clinic is required for players new to the League who have not previously played hockey with another USA Hockey affiliate organization prior to participating on a League sponsored team. **Participants should attend their Lesson based on the first letter of their last name. The Open session is available to all participants.**
