## Travel Tryouts

This season the IYHL will have one full time travel team in each of the Squirt, Pee Wee and Bantam divisions. If there are enough players to field a second team within a division, the league will consider this as an option. However, a second travel team within a division will play a limited travel schedule and these players will also play within the IYHL House Division. The dates for a second team tryout will be published at a later date. The IYHL Board and/or Travel Committee may alter the format of the second team within each division based on the number of participants within a particular division. We encourage all those interested in playing travel hockey to attend the tryout for your division listed below.

Below is the schedule information for the respective divisions' tryouts:
