**Steve Pfefferle:**LTP- league is out of rental equipment, had bought 50 bags, but only 40 left to rent at \$30

Next year equipment will only be rented to 1<sup>st</sup> year players, and needs to be cleaned when turned in.

Also a suggestion was made to have the 2 different groups wear different colored jerseys so they stay in their own group at their assigned time.

\$50 fee won't be waived if LTP kids sign up for the league, and money used to buy more rental equipment. However we can give them any left over Back to Hockey shirts or little sticks when they sign up.
